I am enclosing an Extract From 1840 Census, Indiana, Vigo county. As you can see, it shows a J. B. Cusick with a family of two boys and one girl and their approximate age as well as the approximate age of J. B. and his wife. He is employed in agriculture, the two adults listed can neither read nor write, but no other item is checked.

In our Index of Grantors and Grantees, 1818 to 1860 I found a listing dated 25 Nov. 1841 where J. B. bought 40 acres in sec.10 Twp. 12, range 6, for $100. The deed was signed with an X by John Black Cusick and wife Hetty Cusick. In Feb. 1845 a Jno. B. Cusick and wife Hetty of Boone county sold the land in Vigo county for $180. He evidently stayed in Vigo county only a short time. However, I did not find J. B. on the 1850 Indiana census index. He could of either moved out of Indiana, died before 1850, or was just missed in the Census Index.

We have a surname file on the Cusick family. It contains a letter dated Sep. 1967 from a Daniel McCarthy, 1803 S. Lindely #5, Indianapolis IN 46241, requesting information on a Mary Cusic(k), b. Zanesville OH, in 1857, who shows up on the 1880 Vigo county census. We also had a letter from a Roger D. Cusick, 6206 N.W. 29th Terr. Gainesville FL 32606, dated Feb. 1982, who was interested in the Cusicks of Indiana.

Although J. B. would be between the ages of 20-30 on the 1830 census, I did not find a J. B. or James Walter listed in Indiana. To verify if they were brothers, it would be necessary to locate which state and county they came from and check county histories, church records, and probate records there.

If we can be of further assistance, please let us know. If you wish a micro copy of the deeds, our charge is 10¢ or 15¢ per page, depending on size, plus postage. Each deed would be on two pages.

Dear Nancy,

First, I would like to thank you for your time and effort. I have talked to many persons by phone, and our conversation last Feb. 10 was the most friendly and helpful I have ever had.

As per our conversation, I'm doing a genealogy search on my family. The surname is "Cusick". If possible, I would like a copy of the census indexes including the name "Cusick" from "1790" to "1900" or whatever that may be available. Also if you have the facilities to copy micro film, I would like the actual census record.

Cusick C 220 2

Rippetoe R 190

You also mentioned that you had a Marriage License Ref. Book. I would also like copies of any entries for the name "Cusick".

1880 - 11 pages
1900 - 25 pages

When we talked, I told you that I was also researching the name "Rippetoe", which is part of my family lineage. I would like a copy of all the material in the Rippetoe family file that you refered to. At this time I do not want to obtain copies of the Rippetoe family letters you have in your archives section.

OVER

I am enclosing $10.00 to cover the copying cost and mailing of this matl. If there is sufficient money, I would also like the census and marriage information on the Rippetoe name.

Thank you again for your time and effort. I will be looking forward to hearing from you.

Sincerely

Roger D. Cusick

Dorothy Clark,
Historian

I got your name from Leonard E. Conrad, Clerk of Vigo Circuit Court. I had wrote to him for information on my gt grandmothers marriage. He had no record of what I was seeking and reffered you to me.

I do hope that you will be able to help me. About 2 months ago, I started out tracing my ancestors. I've done fairly good except for a few which I find no record of. esp. the parents of Mary Cusic(k), was born in Zanesville Ohio in 1857. (1) I Looked at the 1860 census of Muskingum County Ohio and found no record of any Cusicks in the county. In the 1880 census, I found her (Vigo Co.) aged 23 yrs, single, servant, born in Ohio, parents born in IRELAND, she lived on Main Street. (main street then, may be the present 3rd street now) On Jan 25, 1881 (1) she married Daniel Webster McCart(h)y b Mar 17, 1847 Ireland d Feb 24, 1934 Terre Haute.
they were married at St. Joseph's Catholic church,

in Terre Haute. They had two children from 1881-1882 named Roscoe + Mary. In AUG 17, 1888 Danville Ind, They had a third child Daniel Cusic McCarth(y) in 1917 (3) Daniel Webster and wife Mary Cusic lived in Brazil Indiana. Daniel W. died in T.H. 1934. (4) I do not know when Mary Cusic died. Marriage records in those days did not have parents names recorded as the Clerk wrote me. Mary Cusic had a brother Phillip Cusick
sister Rosita Cusick
½ brother Willard Sweaney
and many other ½'s named ——— Sweeney.

I would appreciate any way that you may be able to help me, for I'm lost. I know this type of work is out of your field, but I'm willing to pay the fee of your services.

where information found

1. Vigo County marriage records ~~44-416~~ 8-255
2. Hendricks county birth records A4-20
3. Vigo County marriage records 44-416 marriage of son DANIEL C.
4. Vigo County death records

Maybe I could help you on the history end if you need any information on when the McCarthy's arrived in Terre Haute, where they lived, died, occupation, marriages, other. ~~It~~ All would be from 1850, Patrick McCarthy Cork county Ire. to present. Should you wish any of my info please state, when you answer me in the (stamped + addressed) envelope. I am more than willing to share info about the McCarthy's. They have lived in Terre Haute since 1850 till today. My bro + sis, father, mother still live in T.H. I don't get home much so I thought I'd write to you instead of just coming out of nowhere and asking you all these questions.

I do hope that you will be able to help me. I thank you very much and hope to hear from you soon

Yours truly

Daniel J McCarthy
